# “Damascus Doings”

JUNE 2019

TO LIVE FOR CHRIST IS TO STRIVE FOR HOLINESS AND SEEK THE LOST

Isaiah 8:16 “Preserve the teaching of God; entrust his instructions to those who follow me.”

## PASTOR'S PERSPECTIVES

***"Then I heard what sounded like a great multitude, like the roar of rushing waters and like peals of thunder, shouting: 'Hallelujah'!  
For our Lord God Almighty reigns. Let us rejoice and be glad and give Him glory! For the wedding of the Lamb has come, and His bride has made herself ready...And the angel said to me, 'write 'Blessed are those who are invited to the wedding supper of the Lamb!'"***

Dear Friends,

*"The greatest, the best and the most important invitation that any of us will ever receive, is to the marriage supper of the Lamb of God". The wedding reception that we absolutely do not want to miss is that big party in heaven when God makes all things new, when the Lord's prayer becomes fact - "thy kingdom come, thy will be done."*

*Often times during the summer months churches experience a decline in attendance. It is to be expected. The church and worship are in competition with everything that comes along. The marriage supper that John talks about will be for the lamb's bride (the church) if she has prepared herself.*

*In John's vision of heaven we see that it is full of worship. It will be a worship that is never dull, - an long hour of listening to someone tell us what we need to be doing with our lives. Worship in heaven will be a party, a celebration. Worship in heaven is enjoying God, being so filled up with and close to God that we can't help but sing and shout.*

*We can't always claim that kind of experience here on earth. When we do worship we feel close to God and heaven and our family in Christ. When we find ourselves filled with God's spirit we naturally want to sing and shout, knowing that God is with us. In all so many ways, worship nourishes us, connects us; it heals us and it corrects us. Very basically "WORSHIP" is important to our spiritual health.*

*As I hope each of you are aware my last Sunday with you will be June 23, and I do hope to see you in worship every Sunday from now until then. Finally, on July 7th your new pastor, Matt Wilson, will be delivering the morning message. Up until that time and then throughout the entire summer, I would like to encourage you to be a part of a "Be a Friend - Invite a Friend" Campaign.*

*We were created by God. It is by God's design that we were created to worship Him. Other people need to worship too and it is our God-given mission to offer it to them. We have something good, something great, something life-giving to share with our neighbors, friends, relatives, co-workers and members of our community. We need to lift up the importance of worship and invite people to participate.*

*God invites all of us to the big party in heaven, but it's up to us to invite folks to the little ones on earth. Only the church does worship. It can't be had anywhere else. Let's not keep it a secret, but share this gift of God with others.*

*Sharing, celebrating, the spiritual value and importance of worship together.*

*Blessings,*

*Pastor Vernon & Karen Palo*

### As We Worship

**On Sunday June 2nd**, we gather to recognize the accomplishment of graduation. Celebrate this milestone with our graduates as they transition into their next journey of life.

**Pentecost Sunday** is June 9th. Pentecost, which means "fiftieth day", is celebrated fifty days after Easter and marks the birth of the Christian church by the power of the Holy Spirit. Be sure to wear red representing the tongues of flame in which the Holy Spirit descended on the first Pentecost. Red also reminds us of the blood of the martyrs.

**Father's Day** this year is Sunday, June 16th. We hope to make this Sunday's worship time a time for all of our noble fathers to be recognized and blessed, as Our Heavenly Father carries them in their important life-long role.

### Damascus Methodist Women

Sunday, MAY 5, WOMEN OF FAITH hosted a free, catered dinner for Women and Girls. Around 96 gathered after Worship to enjoy a delicious meal of dinner rolls, tossed salad, fruit, loaded mashed potatoes, macaroni and cheese, chicken, julienne vegetables, chocolate chip cookies, cheesecake, and beverages. The meal was prepared and served by caterers, the Monter family. Several of the church fellows helped with serving and cleanup. President, Mary Kay Heverly, led grace before our meal. Later she and some of WOF officers gave about 12 Precious Moments figures that had been donated to women and girls who were able to answer misc. Bible questions.

### Preschool News

We are thankful to be a part of such a wonderful Preschool family. Our 2018-19 school year has ended. We are sad to see some of our friends move on, but we wish them all the best, and look forward to meeting new friends in the fall.

As we end this school year, we would like to thank all of you for all your prayers, support and love throughout the year. Several of you bought from our fundraisers, donated supplies and "stuff" for our art cart and sensory table, volunteered your time to help with a project or program, separated Scholastic Book Orders, or simply prayed for us. We appreciate everything you do for us!

We are still accepting registration for next year. If you know of someone who might be interested in our program, please let me know. I will be happy to contact them.

Continue to pray for our Preschool students, their families, and our staff. Please lift us up as we begin to prepare for another school year.

Many Blessings,  
Andrea, Michelle, Amy, Hannah & Linda

### Be A Somebody

Once upon a time there were four people named Everybody, Somebody, Nobody and Anybody. When there was an important job to be done, Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did. When Nobody did it, Everybody got angry because it was Somebody's job. Everybody through Somebody would do it, but Nobody realized that Nobody would do it. So it ended up that Everybody blamed Somebody when Nobody did what Anybody could have done in the first place.

## Thank You

Dear Damascus Family,

The days are quickly passing as our time in shared ministry with you will be coming to an end. So many emotions are tied up into these major life events for us. It is the ministry of Our Lord and Savior to which we are called, and as we accepted this call into the ministry of the United Methodist Church, it was with the understanding that it would be an itinerant ministry. We would be called to go willingly, and joyfully, with a sense of anticipation to wherever we have been called. That does not in any way diminish the sense of sadness at leaving behind those we have come to dearly love and who have become so much a part of our daily lives here in Damascus.

We wanted to express our grateful thankfulness for the lovely "Farewell Luncheon" on Sunday May 19. The food was fabulous, and the leftovers especially appreciated as the days are very full and cooking takes a back burner to full boxes. The sharing time was special. We heard words of appreciation and love, and we were also able to find the funny things to laugh about too.

The Quilt- we know the many hours of time that it took, and as Karen has made a few quilts, it is not an easy task. The quilt is a gift of beauty and so much a visible gift of your love. We will treasure it, and hold many fond memories with viewing it. Fondly, we will read over the names written in over the months and years to come and allow them to bring alive once again beautiful memories.

Thank you for all the cards and thoughts and words. We are blessed to have been well-loved. We trust that this shared love will be a "sprout" that will continue and grow as you allow this gift of God's love that we have shared to grow in you and through you and as one of Karen's songs says... and the gift goes on... and the gift goes on.... Thank you for your kindness and love to us... again as our ministry time together is ending... we are so thankful for your gifts.... And we ask and pray that the greatest gift we have in our shared love of our Savior is the gift that will go on and on and on....

With thanks and much love,

Pastor Vernon and Karen

**Lay Leader Message Continued:**

On June 24<sup>th</sup>, our shepherd for the last four years will leave to take another flock. From our perspective, The East Ohio Conference of The United Methodist Church makes these moves based on needs within the conference. Similar to real estate transactions, moves can be made that have little to do with one particular church but are part of a long and complicated set of transactions. However, our perspective is very limited on this side of heaven. God Our Father, places kings and leaders in their positions. He who controls or allows ALL things knows exactly what to do and how best to it. We have been blessed by Pastor Vernon and Karen and our extended family at Mount Pleasant will be as well. Let us welcome Pastor Matt Wilson, Crystal, and their family into our church family with the warm welcome that our brothers and sisters deserve.

**Steven Sprague – Lay Leader**

**stevespra@gmail.com cell 216-789-4650**

**Remembering Their Sacrifice**

As we begin the new month, we end the previous in solemn remembrance of those who gave their lives in service to our country. Jesus said that there is no greater love than for a man to lay down his life for another. Our soldiers, fire fighters, police and rescue personnel put their lives on the line each and every day protecting the rest of us as U.S. citizens. Take time to pray for the families of those who have fallen in service. Take time to remember the sacrifices of those who protect us and honor their memory. They gave their lives, so that we may live in safety and freedom.

On Memorial Day, we tend to remember those who have fallen in service to our country in our lifetime. Take time to remember those who first gave their lives for the freedoms we enjoy. Remember those from the Revolutionary War, the Civil War, WWI and WWII, Korea, Vietnam, Afghanistan, and Iraq as well as other conflicts around the world and throughout history. They all gave that others might live in freedom.

There is another who gave a greater sacrifice than anyone else in human history. Yes, I am talking of Jesus Christ Our Lord and Savior. He came and gave his life not to save just a few people in distress or to save a nation and guard freedom (which are all noble causes in their own right); Jesus came to save all of humanity from the power of sin and death forever. Think of it, the creator of the universe sent His one and only Son to die for you and me all out of His great mercy, love and forgiveness. Truly there is no greater love than that of God. His sacrifice will always be the most important of all time! (From Middle Sandy Evangelical Presbyterian Church Newsletter)

**U.S. Flag Day-June 14**

You're a grand old flag,  
You're a high flying flag,  
And forever in peace may you wave,  
You're the emblem of the land I love,  
The home of the free and the brave.

## From your Lay Leader ...

### Ch Ch Ch Changes

We who study the Bible (that should be all of us) know of the city called Ephesus because The Apostle Paul spent a lot of time there and later wrote to the church in Ephesus. That church was also one of the churches talked about in The Book of Revelation. Definitely not an example to which we want to aspire but that's for another topic. There was also a philosopher in Ephesus around six hundred years before Paul known as Heraclitus of Ephesus. Heraclitus was also known by his contemporaries as the “dark” philosopher. I don't recommend much of his writings, but one philosophy that he is famous for says that “life is flux”. A philosophy often paraphrased – “the only constant in life is change” ,

As we roll into summer, there will be many sad children and school staff with long faces as they think of a couple months away from their favorite place. Yeah right! There will also be many mothers looking forward to bored children... There will also be many graduating from high school and college. We even have a new Doctor of Veterinary Medicine, bringing our total to at least two. Congratulations Amanda Lydic! All of these changes close one chapter and open a new one. Exciting stuff!

The only real constant that never changes is Our Lord. Malachi 3:6a says: “I the Lord do not change.” Yes! Our God is the same today, yesterday and forever more. Hebrews 13:8 “Jesus Christ is the same yesterday and today and forever.” James 1:17 “Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.” Psalm 18:2 “The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold.”

Many people have a hard time with change. We all desire stability at some level especially in this day and age. However, life really is constantly changing. We can take comfort in knowing that we serve a Loving Father who knows not only how to comfort us, but we can trust Him to hold our future. Philippians 4:6-8 “Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things. Did you hear that? We need only to pray and listen and trust to Our Lord who is always there to not only guide us but is the source of all things excellent. Joshua 1:9 “Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” These are more than just nice words written by a philosopher. Every word in The Bible was inspired by God. When we pray His words back to God, he is pleased and will answer our prayers. Jeremiah 29:11 “‘For I know the plans I have for you,’ declares the Lord, ‘plans to prosper you and not to harm you, plans to give you hope and a future.’”
